1 From Julian Chichester, the Pollock drinks cabinet makes a statement whether open or closed. The bi-fold vellum doors have gilt bottle racks on the inside and fold all the way back for a practical, yet chic presentation. The lighted interior has an egломise panel on the back that frames glass and pull-out vellum. us.julianchichester.com

2 Simple in design and sturdy in construction, the Vitreous bar chair from IMAX is crafted from acrylic, known for its strength and for being lightweight. www.imaxcorp.com
